

AN ORDINANCE
TO PROVIDE FOR THE FLUORIDATION OF THE CITY WATER SUPPLY.

WHEREAS, the City of Alamo Heights (the "City") through laws of the State of Texas and City Charter is empowered to take certain actions to protect the public health; and

WHEREAS, the City Council of the City (the "Council") finds that fluoridation of the City's water supply at the level recommended by the Texas Department of Health will enhance the dental health of the citizenry; and

WHEREAS, the City Council deems it in the best interest of its citizenry to adopt this Ordinance and provide for the fluoridation of the City's water supply.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ALAMO HEIGHTS, TEXAS THAT:

SECTION 1. The City's water supply shall be fluoridated at such level as recommended by the Texas Department of Health.

SECTION 2. The City Engineer or his designee is directed to consult with the Texas Department of Health in connection with the purchase and installation of all equipment necessary to fluoridate the water supply, and the procedures and practices to be followed in fluoridating the water supply.

SECTION 3. The City hereby finds that the statements set forth in the recitals of this Ordinance are true and correct, and the City hereby incorporates such recitals as a part of this Ordinance.

PASSED AND APPROVED this the 10th day of May, 2004.
